Information session on extensions for exemptions under Article 6 (COP-6 Preparation)

The sixth meeting of the Conference of the Parties (COP-6) is to consider the requests of extensions for exemptions from phase-out dates for mercury-added products submitted by Parties, pursuant to Article 6(6) of the Convention. This information session is to provide information on the provisions of the Convention on the extensions for exemptions, as well as available technical information, in preparation for the COP consideration on this matter.

Please note this event has been rescheduled to **11h00 - 12h00 CET**.
