

COP-4 INDONESIA
ONLINE 1-5 NOVEMBER 2021
BALI 21-25 MARCH 2022
MAKE MERCURY HISTORY

MINAMATA
CONVENTION
ON MERCURY

PROMOTING IMPLEMENTATION OF THE MINAMATA CONVENTION ON MERCURY WITH A SYNERGETIC APPROACH IN THE ECOWAS AND SADC REGION

This side event will present the results from the studies conducted by UNIDO in the ECOWAS and SADC sub-regions on the ESM of mercury-containing wastes. The event will also discuss how the proposed implementation roadmap could be realized in the two sub-regions to support ESM of mercury-containing wastes.

LIST OF SPEAKERS

- Felix Wertli, Switzerland
- Mathias Schluep, World Resource Forum
- Patricia Schröder, Urban Elements/Reclite
- Gabriela Eigenmann, UNIDO
- Jonas Wirsing, UNIDO

MONDAY, 7 MARCH 2022

11H00-12H00 CET
