THE MINAMATA CONVENTION FINANCIAL MECHANISM: SUPPORTING PARTIES TO IMPLEMENT THEIR OBLIGATIONS

Organized by the Minamata Convention on Mercury. [Register here.](#)

The Minamata Convention Secretariat, with financial support from France and Switzerland, is hosting an event that will highlight how parties to the Convention are accessing the capacity building and technical assistance support available through the Global Environment Facility (GEF) and the Specific International Programme (SIP), party needs going forward into the next biennium, and how implementation issues, such as those indicated in national reporting, can be effectively addressed through the financial mechanism.

MONDAY, 1 NOVEMBER 2021
