MINAMATA
CONVENTION
ON MERCURY

IMPLEMENTATION OF THE MINAMATA CONVENTION IN THE CARIBBEAN REGION

Organized by the Basel Convention Regional Centre for Training and Technology Transfer - Caribbean Region and Ministry of Natural Resources, Government of Guyana. [Register here.](#)

This side event will disseminate knowledge products developed for regional capacity building on the Minamata Convention under the “Mercury-free Caribbean” awareness campaign; share project results, challenges, solutions and lessons learnt from the project “Development of National Action Plan for Artisanal and Small-Scale Gold Mining in the Co-operative Republic of Guyana” during the COVID-19 Pandemic; and provide insight on how results and lessons learnt from prior projects will be integrated into the three Caribbean child projects to be executed under the Global Environment Facility’s programme “Implementing Sustainable Low and Non-chemical Development in Small Island Developing States” (ISLANDS).

TUESDAY, 2 NOVEMBER 2021

11:00 – 12:00 CET
