

Catalyzing Environmental Impact and Visibility through Digital Transformation:

MEAs Embracing Knowledge-Driven Capacity-Building

29 February 2024

11:30 - 13:00 (EAT-Nairobi)

UN Environment (Nairobi, Kenya)

Helipad, MEAs events Tent B – Stage 1

This side event, organized by the Minamata Convention, will explore avenues where technology can enhance collaboration, foster growth and improve communication about on-the-ground developments.

Join us to delve into the transformative potential of technology in the realm of MEAs and how it can empower to share and leverage project knowledge.
